Although account information is provided on this page, it does not guarantee an actual statement was produced. Refer to your account statement for the exact registration and more specific details regarding each account.

Financial Foundation

Reaching your personal financial goals depends on a strong foundation. At Edward Jones, we believe that foundation consists of regular reviews of your goals and their time frames, your comfort with risk (such as market volatility) and the way assets are allocated within your portfolio. Following is a summary of your financial foundation based on your discussions with your financial advisor.

Retirement Goal for Nath, Jishnu & Deepika

Preparing for Retirement	Risk Tolerance	Planned Retirement	Desired Annual Spending	Retirement Portfolio Objective
	Medium to High	Jishnu to Retire at Age 65 Deepika to Retire at Age 65	\$80,000	Growth Focus

The Desired Annual Spending amount does not include variable expenses or debt payments you may have discussed with your financial advisor.

Accounts Assigned to your Retirement Goal

Accounts	Account Holder	Account Number	Portfolio Objective - Account
Single Account	Jishnu Nath	XXX-XX502-1-9	---
Joint Tenants With Right of Survivorship	Jishnu Nath & Deepika Nath	XXX-XX503-1-8	---

NOTE: It is important to review your account(s) to keep your investments aligned with your risk tolerance and positioned to achieve your goal. Please contact your financial advisor to update any missing or outdated Financial Foundation information.

For more information on this relationship or mailing group(s), please visit www.edwardjones.com/disclosures. If you wish to make changes to either the relationship(s) or mailing group(s), please contact your financial advisor.

Outlook 2018: Put Away Your Rose-colored Glasses

Stock markets soared in 2017 as global economic growth improved and investor confidence strengthened. Interest rates generally remained low, helping keep markets calm despite ongoing worries that political uncertainty or unexpected events would trigger disruptions. But investors may need to put away their rose-colored glasses and set realistic expectations for the years ahead.

The outlook for 2018 depends on the answers to three key questions:

1. Will the global bull market continue? We think so: Global stocks should continue to rise in 2018, with international stocks continuing to outperform U.S. stocks
2. How much will interest rates rise? We expect U.S. interest rates to rise modestly in 2018 unless inflation jumps sharply and significantly.
3. What could trigger higher volatility? Rising interest rates, elevated political uncertainty, a shift in sentiment or unexpected changes in fiscal, monetary or trade policies are all possible reasons for stock market pullbacks.

Action for Investors

We think it's realistic to expect further gains in global stocks, modest interest rate increases and more volatility. Staying patient, disciplined and invested will be critical, so consider these actions:

- Expect lower large-cap stock returns. Over the past five years, the S&P 500 has returned about twice as much as we expect long term. The pace may be slower in 2018.
- Rebalance to an appropriate mix of stocks and bonds for your goals and risk tolerance by adding investment-grade bonds and cash to help reduce portfolio risk.
- Add international stocks, which we think should continue to outperform, helped by stronger global growth.
- Add smaller U.S. stocks, which have outperformed historically and could benefit if economic growth improves and corporate taxes are reduced.

In 2017, investors were pleased by double-digit stock market returns and calm markets. We think they need to prepare for more volatile markets and lower returns.

Past performance of the markets is not a guarantee of how they will perform in the future. Investing in equities involves risks. The value of your shares will fluctuate, and you may lose principal. Small-cap stocks tend to be more volatile than large company stocks. Special risks, including those related to currency fluctuations and foreign political and economic events, are inherent to international investing.

About Edward Jones

Edward D. Jones & Co., L.P. is dually registered with the SEC as a broker-dealer and an investment adviser. Edward Jones is also a member of FINRA.

Statement of Financial Condition — Edward Jones' statement of financial condition is available for your personal review at www.edwardjones.com/en_US/company/index.html, at your local branch, or by mail upon written request.

About Your Account

Account Information — Your account agreement(s) contain the conditions that govern your account. Please contact your financial advisor if you have any changes to your financial situation, contact information or investment objectives.

Account Accuracy — Please review your statement carefully. If you believe there are errors on your account, you must notify us promptly of your concerns. You may either contact our Client Relations department or your financial advisor. You should re-confirm any oral communication by sending us a letter within 30 days to protect your rights, including your rights under the Securities Investor Protection Act (SIPA).

Errors or Questions about your Electronic Transfers — Contact Client Relations at (800) 441-2357.

Complaints about Your Account — If you have a complaint please call (800) 441-2357 or send a letter to Edward Jones, Attn: Complaints Dept., 12555 Manchester Rd. St. Louis, MO 63131.

Pricing — For the most current prices of the investments you own, contact your financial advisor or visit Online Access.

Third Parties — While we believe our pricing information is reliable, some pricing information is provided by third parties and we cannot guarantee its accuracy.

Systematic and Money Market Transactions — Additional transaction details may be available upon written request to Edward Jones, Attn: Trade Operations Dept.

Withholding on Distributions or Withdrawals — Federal law requires Edward Jones to withhold income tax on distribution(s) from your retirement accounts and other plans unless you elect not to have withholding apply. You may elect a percentage to be withheld from your distribution or not to have the withholding apply by signing and dating the appropriate form and returning it to the address specified on the form. Your election will remain in effect until you change or revoke it by returning another signed and dated form. If you do not return the form by the date your distributions are scheduled to begin, Federal income tax will be withheld. If you do not have enough income tax withheld from your distributions, you may need to pay estimated tax. You may incur penalties if the amounts withheld and your estimated tax payments are not equal to the tax you owe. State withholding, if applicable, is subject to the state's withholding requirements.

Fees and Charges — The "Fees and charges" amount shown in your Value Summary includes all activity fees and margin loan interest, except the dividend reinvestment fee and trade transaction fee. The dividend reinvestment fee is reflected in the detailed activity section of this statement. The "Fees and charges" amount does not include commissions or mark-ups from the purchase of specific investments.

Fair Market Value for Individual Retirement Accounts Your fair market value as of December 31st will be reported to the IRS as required by law.

Rights to Your Money Market Fund, Bank Deposit and Free Credit Balances — Your free credit balances are payable on demand. You may require us to liquidate your bank deposit or money market fund balance. We will then disburse the proceeds to you or place them in your securities account. Your instructions must be made during normal business hours and are subject to terms and conditions of the account agreement(s).

Important disclosures and other information relating to your account(s) are available at www.edwardjones.com/disclosures.

Go Green! Did you know you can receive your statements and other documents online instead of on paper? Visit www.edwardjones.com/edelivery for more information.
